

## 2016 Summer Reading Program Hartland Public Library

**June 11 – 14: Summer Reading Sign Up Week!** Come to the library to pick up your reading log and program schedule. Check out a book (or 5) and get started on your summer reading!

**June 20 – Noon – 1:30: Lunch & Books** – Bring your lunch, listen to a chapter or two of a *REALLY* good book and then participate in an activity. This week is **Moon & Stars Mobiles**.

**June 27 – Noon – 1:30: Lunch & Books – Duct Tape Engineering** – cardboard and tape provided

**July 4<sup>th</sup> – OLD HOME DAY!** – Stop by our booth and build towers and ramps!

**July 10 – 6:30: SIMON BROOKS!** Join your friends & family for an evening of folk and fairytales, myths and legends with the Story Weaver Extraordinaire, Simon Brooks! This program is funded in part through a performance grant from the Vermont Department of Libraries.

**July 11 – Noon – 1:30: Lunch & Books – Make a Sun Dial!**

**July 18 – 1:30 & 2:30: StarLab: Journey Through the Stars** Learn about the constellations of the Milky Way Starfield in the VINS StarLab, a traveling planetarium. This event will take place at the Windsor High School gymnasium. There are two 45-minute sessions, beginning at 1:30 and 2:30. Seating is limited to 25 each session; registration required. Sign-up early to reserve your spot – don't miss out on this unique opportunity to see the stars!

**July 25 – Noon – 1:30: Lunch & Books – Rockets!** – We will design our film canister rockets and, using the science of antacids and water, go outside and blast them off!

**August 1 – Noon – 1:30: Lunch & Books – Mars Rovers!** Using the Mars Rover Toolkit provided through the Vermont Dept. of Libraries and the Vermont Space Grant Consortium, work together to create a "Mars Rover Map" and guide each other through the maze.

**August 1: STUFFED ANIMAL SLEEPOVER!!** Bring your stuffie to the library any time after 12 Noon. Your critter will be treated to an evening of fun and frolic (pictures taken), followed by breakfast and pickup at 10:00 am, August 2.

**August 6:** Reading Prize Drawing! You have been reading all summer long – come pick up your prizes!

**Every Tuesday** through August 6 – Early Literacy Story Time for ages Birth to 5. This will include an introduction to 'Bedtime Math's Summer of Numbers' and STEM activities geared for the early literacy crowd.

**Every Friday:** June 21 – August 9 – 10:00 AM – 12 Noon. Legos at the Library! All ages welcome!

**Everyday:** Keep track of the number of hours you read. For every 4 hours, fill out a ticket to be eligible for prizes. Drawing to be held Tuesday, August 6.
